

Mark Breslin
Alpha Leadership:
Improve Team and Individual Performance

February 7, 2019
12:00pm – Doors Open and Box Lunches Available
1:30pm – Presentation
Chicago Marriott Oak Brook
1401 W. 22nd St., Oak Brook IL

This training program provides concrete lessons for construction professionals who want to improve team and individual performance. The program is designed to make an immediate impact with those involved in field operations. The curriculum touches on all leadership levels and provides a strategic look at the "homegrown nature" of leadership. It includes specific recommendations on how to build a new leadership culture in a company or organization of any size. Former participants include project managers, project engineers, superintendents, foremen and other managers.
